OFFICE OF LEGISLATIVE COUNSEL

Thursday - 31 July 1969

25X1 1. [ ] In satisfaction of a requirement imposed by Representative Durward Hall (R., Mo.), spoke with Mr. Jim Robinett, Legislative Assistant to Representative Hall, advising that we were sending a letter to the effect that [ ] has 25X1C and is rendering valuable services to the Federal Government. Robinett said that the official objectors on the Republican side would follow Congressman Hall's lead if he now withdrew his objections to the bill. I will advise Mr. Jim Cline, Counsel, Subcommittee on Immigration and Nationality, of this action in hopes that the bill can clear the next Private Calendar scheduled for 5 August. 25X1

25X1 3. [ ] Spoke with Angela Jakobowski, in the office of Representative John V. Tunney (D., Calif.), concerning their 30 July 1969 referral of [ ] for possible employment and asked if they 25X1A really wanted us to consider the case in light of the statement in [ ] letter that he would like to try any kind of work ". . . with an exception od (sic) intelligence work." Miss Jakobowski said that the case had been referred to us at the suggestion of AID and State, but that obviously it was her oversight and she will seek to get a clarification from [ ] as to whether he would object 25X1A to consideration for intelligence work. She asked that we hold the referral until we hear from her.

1. [ ] Received a call from Mr. Michael Schell, in the office of Representative Samuel Stratton (D., N.Y.), who inquired whether the CIA retirement system is the same as the Civil Service system and whether amendments to the Civil Service Retirement Act would affect the Agency's program. I explained some of the similarities and differences between the two systems and advised that amendments to the Civil Service Retirement Act would not affect the Agency's system unless specifically stated in the amending legislation. Mr. Schell was quite appreciative but did not advise the reason for his questions.

[ ] Cline said that he did not like the principle but that we must recognize the practicalities involved and on that basis would not impose an objection if Dr. Hall was given directly a letter confirming [ ]'s present services for the Government. Since [ ] is employed by DIA I recommended to [ ] Chief, Aliens Staff, that we get DIA to sign the letter to Dr. Hall and have forwarded a draft suggested reply for use with DIA. In the interest of continuity and control it is recommended that we deliver the letter to Dr. Hall.

I said we would be happy to comply if the material is still available.

[ ] Mrs. Maybelle Woolbert, Administrative Assistant to Representative Otis Pike (R., N.Y.), called to try to locate some [ ] material on the Pueblo which had been made available to Representative Pike some time ago and had been returned to us. An additional copy of the [ ] material previously sent to the Congressman was sent to Mrs. Woolbert by courier.

3. [ ] Jay Sourwine, on the staff of the Senate Subcommittee on Internal Security, called to say that in his column, the Scott report which will be printed in tomorrow's newspaper, Paul Scott has indicated that Senator Jackson's timely warning on the Soviet leadership was based on confidential information provided him by the Agency. Sourwine said that he did not know whether this information was reliable but would like to have a copy of any material which we might have provided Senator Jackson in this area. I told Sourwine I would be back in touch with him on this.

1. [ ] In response to an earlier call to Mr. Maury, met with Representative Emilio Q. Daddario (D., Conn.) and agreed to be back in touch with him on [ ] an OSS colleague of Daddario's who claims to have been involved with the Agency during the period 1963-1967, and has asked Daddario for help in securing employment. Later, I advised Miss Bacon, in Daddario's office, that there may be a one or two day delay in getting back. DCS and CA are pulling the records.
